

SWEET BONES

WEDDINGS AND EVENTS

We offer cakes in a range of sizes to suit different guest numbers. The examples below showcase each size, and most decoration styles can be adapted accordingly. For more inspiration, we recommend browsing our Instagram portfolio. If you're after something specific that's not shown here, custom sizes are also available.

Please note: surcharges apply for certain embellishments, such as fresh berries and dried edible flowers. Gluten-free options are available for an additional 10%.

Supplemental cakes

We don't make cakes for more than 80 servings for WHS reasons; they become too heavy to safely move by a person of average strength. For large parties, we suggest selecting a tiered cake based on preferred style, and supplementing with square cakes or cupcakes.
